**CORRECTION OF INVENTORSHIP  
IN A U.S. PATENT  
Pursuant to 37 CFR § 1.324**

Commissioner for Patents  
U.S. Patent & Trademark Office  
MS - PETITIONS  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

Applicants submit a request to correct inventorship in a U.S. patent due to an error in the execution of the Declaration in the above-referenced patent in accordance with the statute 35 USC 256.

On February 9, 2001, Applicants submitted a Combined Declaration and Power of Attorney at the time of filing under 35 USC 371 in the U.S. Patent Office, which included the names of Gary J. Jorgensen, Randy Gee and David E. King as inventors. The Declaration was executed by Gary J. Jorgensen and Randy Gee. The third inventor, David E. King's signature was not included due to his untimely death. Applicants did not receive a notice from the U.S. Patent Office indicating "Notice of Missing Parts," wherein Applicants would have submitted the proper documentation pertaining to a deceased inventor. However, on April 21, 2001, Applicants received the filing receipt from the U.S. Patent Office listing only Gary J. Jorgensen and Randy Gee as inventors. Applicants failed to catch the error and prosecution of the application continued. It was only after the patent had issued did Applicants become aware of the error.

Applicants submit two Statements signed by each of the inventors, Gary J. Jorgensen and Randy Gee that an error in inventorship occurred without deceptive intention on their part.

Applicants submit an additional Statement from the widow of David E. King, Kathryn G. Zeiler, stating that she is the legal representative of her deceased husband and acknowledges that there was no deceptive intention on the part of the coinventors.

Applicants submit a Statement by Assignee.

Applicants submit a new Combined Declaration and Power of Attorney executed by Gary J. Jorgensen and Randy Gee the inventors, and a Declaration Submittal Sheet for Legal Representatives On Behalf of a Deceased or Incapacitated Inventor under 35 USC 117 executed by Kathryn G. Zeiler, David E. King's legal representative.

Applicants also submit a Certificate of Correction to be attached to the issued patent.

The Commissioner for Patents is hereby authorized to charge payment of this processing fee, as required by 37 C.F.R. 1.17(i); or credit any overpayment to Deposit Account No. 14-0460.

Respectfully submitted,

Paul J. White, Reg. No. 30,436
